BEFORE YOU START

For fun and effective setup, prepare to get wet. Throw on your bathing suit, gather your setup materials and jump in!

IMPORTANT NOTE

The Autograph Chaise is designed for water depths up to 12" or on-deck.

REQUIRED TOOLS

FLATHEAD SCREWDRIVER

STEP 1: Place the Autograph Chaise upside down on the shallow end of your pool. Remove the plugs from the front and base fill holes with a flathead screwdriver.

STEP 2: Submerge the front fill hole first and allow water to start filling the chaise. You will hear the cavity filling from the base fill hole.

STEP 3: Allow the chaise to submerge. Water will enter quickly. Once the entire chaise is filled, rock it several times front to back to release any remaining air.

STEP 4: Keep the chaise submerged and screw the plugs back in. Handle plugs carefully to avoid cross-threading them.

STEP 5: Turn the Autograph Chaise right side up and position the base on edge of the ledge. Carefully slide it into its final location.

STEP 6: Enjoy your new Autograph Chaise and begin creating life's most meaningful moments. Tag us for a chance to be featured!

CARE AND MAINTENANCE

ROUTINE CLEANING

Clean with a soft cloth, microfiber towel, or spray down with a water hose. For a deeper clean, use mild soap and water with a soft bristle brush.

POWER WASHING

Use caution to avoid inscribing your Autograph Chaise. Start with a very low PSI at least 3 feet away from furniture, and test on the under side before moving closer. Move closer or increase PSI gradually and with caution until dirt is removed. Check often to ensure no inscription is left on furniture.
